BOARD MEMBERS – Multiple Positions

New National Action Plan & refreshed Board herald an exciting new phase for cherished national cancer support Foundation

- Honorary NFP roles with renowned membership organisation
- National footprint
- 6-7 meetings annually + committees

This NFP Foundation works to a shared determination to save and change lives ...

Established more than 40 years ago, this significant, Australia-wide and well-reputed NFP works tirelessly to finance essential research. But it is also actively provides an ever-increasing number of support services to patients and their families who are confronting life-threatening cancers each day.

With a long-standing, grass roots membership base, and a new National Action Plan launched this year, this widely recognised NFP is preparing to rise to a new level ... and is reconfiguring its Board to take up this and other post-Covid challenges.

If you are the type of honorary non-executive Director, who is keen to contribute, we want to hear from you. You'll be experienced and empathetic with strong general skills across governance and risk management. Ideally you will have reached a senior level your field and have a robust history of Board and Committee membership.

However you come to us, you need to bring a rounded knowledge of NFP practices, including its special culture, changing landscape and the challenges created by increased competition in contemporary fundraising.

Well connected, never averse to advocate for the cause, you are an accomplished director, collaborative, purposeful and committed to investing your skills to help enhance the lives of others.

Considered and thoughtful, you place a high value on the history and traditions of Australia's long-standing non-profit organisations and are proficient at finding the balance between what has been, what is and what is coming.

Progressive, visionary and strategic, you appreciate the ways in which technology drives change. Experience in how it can be used to deliver services and an understanding of cyber security are amongst the skills we need.

Bringing a presence and reputation that opens doors to government and other stakeholders, you know the questions to ask, the answers to expect and how to get things done. If you have the time to commit and the inclination to improve life for people living with cancer, please apply now.

To be considered, please forward your **cover letter** and **resume** in word format quoting reference number NMBMMP to apply@windsor-group.com.au or contact Nicola Manson on 073211 0001.
